BOSTON SOCCER CAMP SUMMER PROGRAMS

◆ Full information of all our 2019 camps is available online. Please check out the left hand menu at www.bostonsocceracademy.com for details of all our programs, sites, dates, cost & signup options. The **'Register Online'** links outlines the steps you need to take signing up.

◆ **JUNIOR DAY CAMPS**

Fun, instructional program for Grades 1-4 with age appropriate training. Campers receive a T-shirt and ball. There are Half-Day options either 9-12 or 1-4. These are a great option for younger players who not quite ready for a full day of soccer. This year we will be offering this camp in Beverly, Concord and Marblehead.

◆ **ADVANCED DAY CAMPS**

The curriculum is designed for young players seeking the next level technically & tactically. Participants will receive a lot of ball touches every day to bring up their technical level. Campers also receive a T-shirt and ball as well as an evaluation at the end of the week. This program is for Grades 6-10. In 2019 we are pleased to offer this camp in Beverly, Concord, Marblehead and Milton.

◆ **HALEDAY CLINICS**

These are half day only clinics. The emphasis is on fun with the typical BSC training thrown into the mix. Our sites in Ipswich and Swampscott are half day clinics this summer.

◆ **ELITE OVERNIGHT CAMP**

Over Curry College offers a curriculum suitable for players grades 4-12 who looking to progress at Club, town or state level. At the older ages it is a camp for players seeking a higher level at high school or beyond. Campers receive a T-shirt, ball & evaluation. Extended day (8:30-8:00), day (8:30-4:00) and half day (am or pm) are available.

◆ **GOALKEEPER CAMPS**

The curriculum is designed for young goalkeepers seeking experience & training in this specialist position. Our Goalkeeper Camp is offered on all sites except the half day clinics. The level of training program corresponds to camp programs above with evaluations for Grade 6 and older. For Grades 1-3 we would recommend Half-Day goal training as appropriate.

Dear Camper,

In the past you have attended one of my programs with Boston Soccer Academy. This year I am delighted to announce that BSA is now a part of the Abbey Villa S.C. group. Moving forward we will be known as Boston Soccer Camps!! Abbey Villa over the past 17 years has grown into one of the premier soccer clubs in Greater Boston. We share similar values when it comes to coaching young soccer players so I'm confident that this is going to be an exciting move for the camps. 2019 will be our 31st summer season! We have enjoyed a reputation for excellence and coming under the Abbey Villa umbrella cements our commitment to youth soccer in the Greater Boston area.

I will continue to direct the camps we offer and will be joined by Abbey Villa's Director of Player Development, Vinnie Musto, as co-director. BSA is now BSC!!

We will continue to conduct camps at the sites we have used in the past as well as reviving a couple of past favorites as we embark on this exciting new chapter. First, our Elite Overnight Camp at Curry College. Over time the Elite Overnight was always one of our most popular camps. Second, the week beforehand we will be enjoying the superb facilities of Concord Academy offering our Junior and Advanced camps to the Metro North-West region.

*We hope to see you again this summer!!
Yours in Soccer!*
